

Congregational Visioning Survey
Restructuring, Recommitment, and Responding
2022 vision and action- our new future

In preparation for our 2022 visioning retreat, we once again are asking our congregation to participate in a visioning survey. This survey has similar questions to the ones the congregation previously completed. The responses from this survey will be used in conjunction with the responses from the previous surveys to continue building our vision for the success of KUMC and our efforts to accomplish our mission- **“making disciples of Jesus Christ for the transformation of the world.”** You are a vital part of that success.

Please complete the following questionnaire with as much detail as you would like to include. It is not necessary to sign the questionnaire, all members, guests, and visitors’ comments and contributions are welcome.

Deposit the completed questionnaire in the designated box or in the Church office by August 8, 2021. All responses will be summarized and reported during the visioning retreat.
