

Visitor Questionnaire

“Restructuring, recommitment, and responding” 2022 vision and action- our new future

Kona United Methodist Church (KUMC) has a visioning process to help us create a direction for the future of the Church and its mission- **“making disciples of Jesus Christ for the transformation of the world.”** To assist us in creating new goals for 2022 we would like to request your help. Our vision for the success of KUMC and our efforts to accomplish our mission rest in the hands of our congregation which includes all our members, guests, and visitors. You are a vital part of that success.

As a first time or returning guest or visitor, whether you are a member of another church, or searching for a church, we invite you to take a few moments and complete this short survey to help us grow and respond to the future. Please complete the following questionnaire with as much detail as you would like to include. It is not necessary to sign the questionnaire. All members, guests, and visitors’ comments and contributions are welcome.

Deposit the completed questionnaire in the designated box. All responses will be aggregated and reported as part of the congregational visioning meeting on September 7, 2019.
